

Our Charity:

Kids Kicking Cancer is a non-profit organization that provides weekly classes for children, both inpatient and outpatient, in the mind-body techniques found in the martial arts. Their mission is “to ease the pain of very sick children while empowering them to heal physically, spiritually and emotionally.”

They emphasize relaxation and mental imagery, and skill each student according to his or her capabilities to engage in breathing, meditation, and active karate exercises. They also instruct the parents, siblings and the medical personnel in these methods. Instructors are invited to accompany their students and further assist them in the hospital rooms and clinics as they undergo painful procedures such as spinal taps and bone marrow aspirations. Their mantra is: “Pain is a message one does not have to accept.”
